# General Advertising Terms and Provisions

All insertion orders for advertising are accepted subject to the terms and provisions of the current rate card. Only publication/placement of the advertisement represents acceptance of the advertisement. No conditions, printed or otherwise, appearing on the space order, billing instructions, or copy instructions that conflict with the publisher's stated policies and current rate card will be binding on the publisher.

Any insertion of advertising made by an agency or advertiser represents an acceptance by both the agency and the advertiser of all the terms and provisions of the rate card applicable at time of insertion.

Publisher reserves the right to refuse or cancel any advertisement, insertion order, space reservation, or position commitment at any time without cause. All contents of advertisements are subject to approval. Advertisements may not imply endorsement by AACSB International.

Publisher shall not be liable for any costs or damages if for any reason it fails to publish an advertisement. Publisher shall not have any liability for errors or omissions in type set by publisher, advertiser's index, or listings. The publisher's liability for any error shall not exceed the charge for the ad in question.

The publisher is not liable for delays in delivery and/or non-delivery in the event of an Act of God, action by any governmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes, labor or material shortage, transportation interruption of any kind, work slowdown, or any condition beyond the control of the publisher affecting the production or delivery in any manner.

All position instructions that appear on insertion orders will be treated as requests and will not be guaranteed without written approval of the publisher.

The publisher may insert the word "Advertisement" prominently into any advertisement that simulates editorial content.

Payment terms are net 30 days with approved credit.

Publisher reserves the right to hold advertiser and/or its ad agency jointly and/or severally liable for payment of such monies as are due and payable to the publisher. Sequential liability clauses will not be accepted.

Cancellations for reserved space are not accepted after the ad closing date. No cancellation will be accepted without written acknowledgement from AACSB confirming receipt. Cover contracts submitted for print publications cannot be cancelled. Late delivery of materials may incur forfeiture of space at full cost.

Publisher reserves the right to repeat the previous issue ad of all advertisers if instructions are not received by the ad closing date.

Rates are based on the number of insertions run in a contract year (12 consecutive months). If, within the 12 consecutive months, more or fewer insertions are used than specified, the rates will be credited or short-rated accordingly at the end of the contract period. Two-page print spreads count as two insertions toward the earned frequency discount. Rate protection for frequency discounts provided on signed one-year contracts.
